

US Application Ser. No. 10/619,721  
Reply to Notice of Non-complaint amendment dated Feb. 6, 2008

### REMARKS

The office communication dated February 6, 2008 stated that Applicant's amendment dated September 25, 2006 is considered non-compliant because it has failed to meet the requirements of 37 CFR §1.121. Specifically, the Communication states that claim 19 contains unrecognized and incomplete editing marks and/or amendments.

Applicant has herewith submitted a replacement "Amendments to the Claims" section. Applicant respectfully submits that the new section contains no extraneous editing marks, and further that it is fully in compliance with 37 CFR §1.121.

Accordingly, Applicant respectfully submits that the instant application is in condition for examination, and strongly urges the Patent Office to proceed with same.

Should the Patent Office deem that any further action on the part of Applicant would be desirable, the Office is invited to telephone Applicant's undersigned representative.

Respectfully submitted,

Jeffrey R. Ramberg
